

Feedback for Tourism Bhutan Dialogue Series

The Tourism Council of Bhutan launched the Tourism Bhutan Dialogue on 23rd October 2020. The Dialogue series was initiated to keep the travel industry informed and engaged through bi-monthly discussion focused on sharing knowledge, best practices and developing the travel sector in Bhutan through discourse. The discussion series is also aimed at creating awareness among policymakers and media on the impact of tourism on socio-economic development of the country and challenges and opportunities in the Tourism Industry.

So far one panel discussion and one expert session featuring the industry perspective on 'Rethinking the future of Tourism Bhutan' have been organized. To ensure the Dialogue series is able to engage and cover key issues and become a vibrant platform to share ideas and knowledge for the growth of the tourism industry in the country, TCB would like to invite feedback and suggestions from the tourism stakeholders on the Tourism Bhutan Dialogue.

TCB has designed the following feedback tool to enable people engaged in the tourism sector to share their feedback on the improvement of the Dialogue as well as submit your suggestions to help TCB identify key areas of discussion and relevant speakers and moderators.

We look forward to your active participation in the feedback system.
